RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the September 28, 1999, written election of species requirement, applicant hereby elects Species a, "DC-CK1," with traverse. Applicant submits that all groups of invention identified in the written election of species requirement are closely related and, therefore, would require common areas of search and consideration. As a result, no benefit is derived from maintaining an election of species requirement, and withdrawal of that election of species requirement is respectfully requested.

Respectfully submitted,
